

## **FOR IMMEDIATE RELEASE**

### **JurInnov Ltd. Announces Release of New Website**

New Design and Content Enables Enhanced Experience for Current and Prospective Clients

**WESTLAKE, OHIO – July 13, 2005** – JurInnov Ltd, a consulting company that provides technology solutions for challenging litigation demands of law firms and their clients, today announced the release of their newly enhanced website located at [www.jurinnov.com](http://www.jurinnov.com). Designed by a team of staff and external design consultants, the dynamic site covers JurInnov's expanded service lines, growing team of experts and typical case studies to exemplify the application and value of JurInnov's solutions. In addition, the enhanced site serves as a portal to JurInnov's web-based document management solutions, which include Microsoft® SharePoint™ [[www.microsoft.com](http://www.microsoft.com)] and Ringtail® Casebook [[www.ftitechnology.com](http://www.ftitechnology.com)] applications.

"We bridge the communication gap between lawyer and techie," said Timothy Opsitnick, JurInnov's founder and Senior Partner. "I see our new website as yet another opportunity to provide value by removing the "legal-ese" and "tech-talk", and describing our solutions in terms that everyone can understand."

#### **About JurInnov Ltd.**

Established in the year 2000 by Timothy M. Opsitnick, JurInnov Ltd. has become a trusted resource for companies whose litigation technology needs are as varied and specialized as the companies themselves. JurInnov's consulting practice focuses on the development of litigation and document management systems, document and electronic data warehousing, electronic discovery processing and consulting, electronic risk management consulting, and computer forensics. JurInnov's client base includes United States and international law firms and companies. For further information about JurInnov please call +1.440.835.3600 or visit the new web site at [www.jurinnov.com](http://www.jurinnov.com).

## **About Timothy M. Opsitnick**

Timothy Opsitnick is Senior Partner and General Counsel of JurInnov Ltd. Mr. Opsitnick, a member of the Georgetown University Law Center Continuing Legal Education Advisory Board, is at the forefront of practitioners addressing issues involved in the discovery of electronic documents. He is currently a participant in the Sedona Conference's Working Group Series on Best Practices for Electronic Document Retention and Production and a contributor to the Working Group's White Papers. He is also a contributor to the Working Group on Information Security Guidelines for Lawyers of the Information Security Committee of the Section of Science and Technology Law of the American Bar Association. Mr. Opsitnick was with the firm of Jones, Day, Reavis, and Pogue from 1986 until 2000, where he was a member of the Litigation and Product Liability sections. His practice concentrated in the management of complex, multi-district litigation.
