

FOR IMMEDIATE RELEASE

JurInnov Opens New Headquarters and Advanced Technology Center

*International Legal Technology Consulting Company Relocates to the Idea Center
in Downtown Cleveland*

CLEVELAND, OHIO – Monday, June 19, 2006 – JurInnov Ltd. (www.jurinnov.com), an international consulting company that provides technology solutions for the legal and business communities, today opened their new state of the art headquarters in the Idea Center, a historic landmark located in the heart of downtown Cleveland's Theater District and Technology Corridor, in the immediate vicinity of the city's leading law firms.

"I am excited to return to downtown Cleveland," stated Timothy M. Opsitnick, JurInnov Senior Partner and General Counsel. "Our new facility provides an extraordinary growth opportunity for our business, as well as supports the continued revitalization of Euclid Avenue and Playhouse Square."

Brad Mixner, Electronic Data Discovery Manager for JurInnov, added "We are excited for the opportunity to bring industry-leading legal technology services and proven consulting expertise to downtown Cleveland. Beyond a convenient resource for local law firms and corporate clients, our new facilities will enable us to provide a wider range of advanced data harvesting, electronic discovery, computer forensics, and document management services to our national and international clients."

The new headquarters was designed to maximize collaboration, productivity, innovation and creativity with a focus on functional, flexible and bright, open work areas. Featuring leading edge information technology infrastructure, the highly secure office suite includes workgroup-specific gigabyte networking, high performance teaming areas, fire-proof storage rooms and direct fiber optic connectivity to offsite data center and broadband communications providers.

About Idea Center

Idea Center at One Playhouse Square (ideacenter.wviz.org), a \$42 million facility reconfigured as part of an economic vitalization & downtown development program, is a home for creative thinking and learning, one-of-a-kind cooperation and self-discovery, designed to inform and inspire current and future generations. JurInnov will occupy prime space on the fourth floor of the building above the broadcast home for WVIZ/PBS (www.wviz.org) and 90.3 WCPN ideastream (www.wcpn.org). Previous occupants of the building include the studios of WJW radio, where disc jockey Alan Freed first uttered the words “Rock and Roll” on the radio. It is anticipated The Idea Center will bring more than 500 jobs into downtown that will represent retained and/or new income taxes for the City of Cleveland in excess of \$400,000 per year and will further solidify the Theater District as a lynchpin for the Euclid Corridor Project – a significant transportation and development priority for the city, area business and other organizations.

About JurInnov Ltd.

Established in the year 2000 by Timothy M. Opsitnick, JurInnov Ltd. has become a trusted resource for companies whose litigation technology needs are as varied and specialized as the companies themselves. JurInnov’s international consulting practice focuses on the application of technology solutions to challenging litigation demands of law firms and their clients, including the development of litigation and document management systems, document and electronic data warehousing, electronic discovery processing and consulting, electronic risk management consulting, and computer forensics. JurInnov is a certified partner of Microsoft[®] Corporation (www.microsoft.com), developers of the Windows SharePoint[™] Portal Server, and FTI[®] (www.ftiringtail.com), developers of Ringtail Legal[™].
