**JurInnov Expands Information Technology Consulting Team**

*Eric Vanderburg appointed as Network Engineer*

**CLEVELAND, OHIO – Monday September 18, 2006 – JurInnov Ltd.** ([www.jurinnov.com](http://www.jurinnov.com)), an international consulting company that provides technology solutions for the legal and business communities, today announced the appointment of Eric A. Vanderburg as a Network Engineer. Mr. Vanderburg will leverage his technical knowledge and experience with JurInnov's consulting teams as they provide computer forensics, data harvesting, electronic discovery, and case management solutions to regional, national and global clients.

Mr. Vanderburg, a graduate of Kent State University with a Bachelor of Science in Technology and a Master of Business Administration concentrating in Information Systems, was most recently a Professor teaching Computer Networking and Programming at Remington College. Mr. Vanderburg, a former independent computer consultant for local companies and firms, holds a wide range of technology certifications in networking and systems engineering. In addition, he is conversant in Japanese through his studies at the Asian Studies International Program at Kansai Gaidai University in Osaka, Japan.

"Eric is a welcome addition to our growing technology team," stated Tim Opsitnick, JurInnov Senior Partner and General Counsel. "We are excited about the depth of knowledge that he adds to our growing consulting practice."
