JurInnov Continues Expansion of Information Technology Consulting Team

Jeffrey Howard Smith appointed as Network Engineer

CLEVELAND, OHIO – Friday June 8, 2007 – JurInnov Ltd. (www.jurinnov.com), a legal technology consulting practice specializing in the management of electronically stored information (“ESI”), today announced the appointment of Jeffrey Howard Smith as a Network Engineer. Mr. Smith will leverage his diverse technical knowledge and experience while primarily supporting JurInnov’s growing case / document management services, which feature the Ringtail Legal™ ASP and Microsoft® Windows SharePoint™ Portal Servers.

Mr. Smith has over 6 years of information technology experience, most recently as a Network Administrator with Comsys in Columbus, Ohio where he managed a network of remote kiosks and related network segments. In addition to network administration, Mr. Smith holds experience in server management, desktop management, and technical documentation along with his Microsoft® Certified Professional (“MCP”) certification.

“We are very excited that Howard has joined the JurInnov team” stated Eric Vanderburg, Senior Network Engineer for JurInnov. “Much of our success can be attributed to the dedication we give to our customers and our skilled, knowledgeable consultants. Howard’s consulting experience and keen problem solving skills make him an effective compliment to our staff”
