

FOR IMMEDIATE RELEASE

JurInnov Continues Expansion of Ringtail® Legal™ Support Services Team

Jennifer Dean appointed as Project Manager

CLEVELAND, OHIO – December 19, 2007 – JurInnov Ltd. (www.jurinnov.com), a legal technology consulting practice specializing in the management of electronically stored information (“ESI”), today announced the appointment of Jennifer Dean as a Project Manager at the company’s headquarters in Cleveland, Ohio. She will assist JurInnov’s Litigation Case / Document Management Group in providing project management support for Ringtail Legal hosting and other case management clients.

Mrs. Dean attended Cleveland State University where she studied Business Administration. Mrs. Dean, who comes to JurInnov after 22 years with the law firm of Squire, Sanders & Dempsey LLP, holds a wide range of technical and litigation support experience. Most recently she was a Practice Support Analyst who administered and maintained firm wide litigation support databases, provided end user software training, and advised internal clients on the collection, review and production of discovery data. Mrs. Dean received a Litigation Support Professional Certification through LitWorks.

“Jennifer brings valuable experience to our litigation case / document management team,” stated Timothy M. Opsitnick, Founder and Senior Partner of JurInnov. “Her technical and database skills will provide a great resource for JurInnov’s Ringtail Legal clients.”

About JurInnov Ltd.

Established in the year 2000 by Timothy M. Opsitnick Esq., JurInnov Ltd. has become a trusted resource for companies whose litigation technology needs are as varied and specialized as the companies themselves. JurInnov's international consulting practice focuses on the application of technology solutions to challenging litigation demands of law firms and their clients, including hosting and managing litigation and document management systems, electronically stored information ("ESI") consulting and processing, electronic data discovery, data harvesting, electronic risk management consulting, and computer forensics. JurInnov was named a Top 20 Service Provider based on Experience in the 2007 Socha-Gelbman Electronic Discovery Survey.
