Barry A. Gummow Appointed as Senior Computer Forensic Analyst

The Legal Technology Consulting Company Continues to Expand its Innovative Team of Service Providers

CLEVELAND, OHIO – January 6, 2009– JurInnov Ltd. (www.jurinnov.com), a legal technology consulting practice specializing in the management of electronically stored information (“ESI”), today announced the recent appointment of Barry A. Gummow as the Senior Computer Forensic Analyst at the company’s headquarters in Cleveland, Ohio. He will leverage his vast technical skills and experience while assisting the forensic team as they continue to provide services to the business and legal communities.

Mr. Gummow earned his Bachelor of Business Administration Degree in Accounting from Toledo University. Subsequently, he served as a Special Agent for the Federal Bureau of Investigation for 31 years. In 1995, Mr. Gummow was one of the first to receive his certification in Computer Forensics from the Laboratory Division of the F.B.I., which led to his focus on the investigation of Cyber Crime while conducting forensic examinations of computer evidence. He was also a contractor at Ohio’s Bureau of Criminal Investigation and Identification (BCI) computer forensics lab. In 2001, he was honored by being inducted into the High Technology Crime Investigation Association (HTCIA) Hall of Fame. Mr. Gummow has advanced experience and training in Computer Forensics, including: Advanced Data Recovery from the National White Collar Crime Center, EnCase Computer Forensics provided by Guidance Software, and Access Data Forensic Tool Kit. Mr. Gummow currently serves as an Adjunct Instructor with the Criminal Justice Program-Cybercrime at ITT-Tech.

“I am very pleased to have Barry serve as an added member to our team,” stated Timothy M. Opsitnick, Senior Partner and General Counsel. “His type of experience is both rare and extraordinary.

I am confident that he will greatly add to the success of JurInnov as we continue to meet the needs of our clients.”
