

**FOR IMMEDIATE RELEASE**

Karl A. Schieneman Appointed as Director of Legal Analytics and Document Review

*New Position will Support the Growing Demand for Legal Analytics and Document Review Services*

**CLEVELAND, OHIO – February 12, 2009 – JurInnov Ltd.** ([www.jurinnov.com](http://www.jurinnov.com)), a legal technology consulting practice specializing in the management of electronically stored information (“ESI”), today announced the appointment of Karl A. Schieneman as Director of Legal Analytics and Document Review. He will focus on enhancing the productivity of document reviews while serving as a conduit between client needs and the complexities of large scale data interpretation. Mr. Schieneman will also assist in overseeing the opening of a Pittsburgh office offering the full suite of JurInnov forensic and data hosting services.

Mr. Schieneman graduated Magna Cum Laude from the University of Massachusetts with a BBA in Marketing. He later received a dual degree MBA/JD from Carnegie Mellon University and the University of Pittsburgh School of Law where he graduated Cum Laude and on Law Review. Mr. Schieneman has fourteen years of experience in the legal field as an attorney and legal staffing and document review expert. He subsequently became founder of several legal service and litigation support firms, including Legal Network which was purchased in 2004 by *Special Counsel*, a global legal staffing company owned by the MPS Group. Recognized as a national expert in electronic discovery and electronic records management, Mr. Schieneman is a frequent guest speaker on topics concerning legal staffing and electronic discovery issues, has hosted a quarterly national audio broadcast for BNA, and created the electronic discovery board game “Discovery Land.” Furthermore, he has written several articles and book chapters related to electronic discovery project management and efficient document review processes. Based largely on his electronic discovery experience, Karl Schieneman was awarded an Ernst & Young Entrepreneur of the Year Award in 2004 followed by a Vestige Award at the 2008 ESI Awards Gala for most innovative use of ESI technology.

“Karl brings an incredible wealth of knowledge and experience to the JurInnov team,” stated Timothy M. Opsitnick, Senior Partner and General Counsel. “His expertise on electronic discovery matters and document review processes will not only compliment our current service offerings, but will also contribute to the expansion of our document analytics and review consulting services.”

### **About JurInnov Ltd.**

Established in the year 2000 by Timothy M. Opsitnick Esq., JurInnov Ltd. has become a trusted resource for companies whose litigation technology needs are as varied and specialized as the companies themselves. JurInnov’s international consulting practice focuses on the application of technology solutions to challenging litigation demands of law firms and their clients, including the hosting and management of litigation and document management systems, electronically stored information (“ESI”) consulting and processing, electronic data discovery, data harvesting, electronic risk management consulting, and computer forensics. JurInnov is a certified partner of Microsoft® Corporation (<http://www.microsoft.com/sharepoint>), developers of the Windows SharePoint™ Portal Server, and a Ringtail Legal™ hosting partner of FTI® Ringtail ([www.ftiringtail.com](http://www.ftiringtail.com)). Recently named by Cleveland Magazine as one of the Top 25 workplaces where innovation is taking place, JurInnov Ltd. continues to expand its growing team in Cleveland’s Technology Corridor.
